About Canberra

Deliberately designed by Walter Burley Griffin and Marion Mahoney Griffin to exist in harmony with nature, Canberra offers a unique lifestyle, combining the advantages of a cosmopolitan city with parks, lakes and some of the best recreational and sporting venues in Australia.

Canberra is a multicultural city with hundreds of great restaurants and many entertainment venues, shopping malls, markets, cinemas, theatres, clubs and sporting facilities- but without traffic, pollution and safety problems of some of the larger cities.

Canberra is also an ideal base from which to explore Australia. It is only half an hour flight from Sydney and a 1 hour flight from Melbourne. A half hour drive will take you out of Canberra and into the surrounding country, the South Coast beaches of NSW are only a couple of hours away by car or bus, likewise the ski fields of the Snowy Mountains which offer excellent skiing, fishing and bushwalking.
