

A guide to understanding the terms used in the Quota Transaction and Quota Holding and Catch Summaries

Term	SFR Units	Kilograms
Owned	This is your permanent holdings plus or minus any SFRs permanently traded.	The number of SFRs owned multiplied by the conversion factor for that species.
Leased In	The total number of SFRs that have been leased in from other parties.	The number of SFRs leased in multiplied by the conversion factor.
Leased Out	The total number of SFRs that have been leased out to other parties.	The number of SFRs leased out multiplied by the conversion factor.
Held	The number of SFRs held at statement date (owned +/- leased).	The number of SFRs held multiplied by a conversion factor.
Undercatch	n/a	Kilograms allocated according to the rules for undercatch, based on the previous season closing status.
Total Catch	n/a	The number of kilograms catch per species at statement date.
Avail To Lease	The total number of SFRs which are available to lease at statement date (owned less any catch and undercatch).	The number of SFRs available to be leased at statement date, multiplied by the conversion factor.
Avail To Fish	n/a	The number of kilograms that are available for fishing. A negative figure indicates the number of kilograms that have been caught above quota held.
Avail To Transfer	SFRs which are available to permanently transfer at statement date.	The number of kilograms calculated by multiplying the number of available to transfer SFRs by the conversion factor.

Term	ITQ Units	Kilograms
Owned	The initial number of ITQ units plus or minus any permanently and/or seasonally traded ITQs.	The number of ITQs owned multiplied by the conversion factor for that species.
Leased In	n/a	n/a
Leased Out	n/a	n/a
Held	The number of ITQs held at statement date (owned +/- leased).	The number of kgs held multiplied by the conversion factor for that species.
Undercatch	n/a	Kilograms allocated according to the rules for undercatch, based on the previous season closing status.
Total Catch	n/a	The number of kilograms of catch as at statement date.
Avail To Lease	n/a	n/a
Avail To Fish	n/a	The number of kilograms that are available for fishing per species. A negative figure indicates the number of kilograms that have been caught above the held quota.
Avail To Transfer	ITQs which are available to transfer at statement date.	The number of kilograms that have not been caught and that are available to seasonally transfer.
