In carrying out its statutory functions in implementing Government policy, the Australian Fisheries Management Authority (AFMA) develops and implements a range of policies to support its application of the legislative and regulatory framework that exists for Commonwealth fisheries. These policies are contained within AFMA's *Fisheries Management Papers*.

Fisheries Management Papers (FMP)

- FMP1: Management Advisory Committees
- FMP2: Monitoring and investigating reports of illegal fishing activity
- FMP3: Disposal of fishing vessels catch and gear
- FMP4: Method of measuring fishing vessels
- FMP5: Exploration of fish resources
- FMP6: Procedure for handling unpaid and overdue levy or charge for Commonwealth domestic fishing concessions
- FMP8: Allocation of fishing concessions where management arrangements change
- FMP9: Considerations applied where an offence is believed to have been committed
- FMP10: Undercatch/overcatch of quota principles
- FMP 11: Scientific permits
